Letter from the Chair of the Board of Trustees

Dear Alumnae Benefactors and Friends
of the Academy of Mount St. Ursula:

The Academy of Mount St. Ursula, now in its 166th year, continues to thrive as the oldest continuously operating school for girls in New York State. One cannot help but to be inspired by the foresight of those amazing women who founded this institution so many years ago. The mission of educating young women of the Bronx in the Ursuline tradition has never been more compelling and relevant. Here, young women realize their talents and strengths and prepare for college and career paths where they will make significant contributions in the future.

I could never have imagined that more than fifty years after graduating from the Academy of Mount St. Ursula that I would have the great honor and privilege of serving as the Chair of the Board of Trustees. I credit my experiences at the Mount for setting me on a path that opened the door to numerous possibilities and a rich and rewarding career in education that was always predicated on the principle of *Serviam*. I am pleased to be joined at the school by a remarkable and dedicated team of fellow trustees who generously give their time and talents to the school's success and growth.

We are enormously grateful to the truly amazing faculty and staff of AMSU who have demonstrated unparalleled creativity, strength, and commitment to the Ursuline mission of the school during these past two very challenging years. High levels of college acceptances, scholarships, and grants which are outlined in this report are the result of rigorous academic standards for each discipline. However, beyond these academic achievements is the commitment to each student's emotional and spiritual growth.

Serving a diverse urban community throughout these unprecedented times remains a financial challenge. We recognize and are grateful for the strong financial assistance provided by the Ursuline Sisters and their provincial leadership. We are blessed by loyal and generous alumnae who continue to offer an extraordinary level of support to our students and school through a variety of programs. Your contributions help make these educational opportunities available for those who have great financial need and help close the gap between tuition charged and the cost of a student's education.

Thank you for your on-going and generous support of our beloved school.

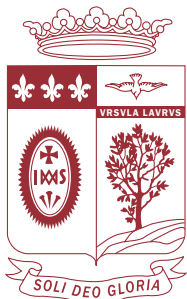

With gratitude,

Diane Ramos-Kelly, Ed.D.

Letter from the Development Team

Dear Friends of AMSU,

What a school year 2021-2022 has been! As always, we here at the Academy of Mount St. Ursula take great pride in delivering high-quality catholic education in the Ursuline tradition to empower young women to become great leaders in society.

And during 2021-2022, our students did not disappoint! Despite the very challenging times of just coming off the throes of a pandemic and remote learning, they were thrust into a school year with a new set of expectations to learn and grow all the while dealing with various restrictions and rules. But with perseverance and fortitude, our students pushed forward and rose to the occasion.

This set the stage for inspiration here in the Development Department. We too persevered with virtual fundraising, remote restrictions, and digital programs to keep our efforts on track. This is in large part due to your continued support and generous financial gifts. We were able to maintain and surpass many of our marquee programs like Adopt A Student and Sustain Our Structure. We continued to improve the safety and security of the building and grounds and will continue to do so in the year ahead.

We are grateful and truly appreciate each one of you! So, as we embark on a new school year our future is bright. We ask that you continue to join us as we bring back some wonderful in-person fundraising events, construct outstanding facility improvements, and begin new campaigns which will provide the active learning spaces and community gathering areas that meet the needs of AMSU students so they can soar!

We love to hear from you about all that you are doing and where life has lead you, and hope you'll take a moment to engage with us either online, by mail, or by phone. Be sure to send us your current email address so that we can keep our alumnae records up to date and be able to share AMSU news with you now and into the future.

Gratefully,

THE DEVELOPMENT TEAM

Ellen Manger, *Executive Director of Alumnae Relations and External Affairs*

Mitch Turner, *Alumnae Relations and External Affairs Specialist*
